During the first week there will be a number of essential inductions that will allow you to access UCF facilities and orient yourself with the campuses.

On Monday 26 September you will be introduced to your first informal project, so it is essential that you bring:

- Your camera equipment
- Your Portfolio containing recent work
- Digital copies of 5 of your best images on disc
- 35mm SLR film or digital camera of reasonable quality with manual over-ride to any automatic settings (Nikon is recommended as it is compatible with UCF equipment)

During the holidays you will be emailed important information for new students. If you will be away, please ask someone else to check your emails regularly and reply on your behalf.

Please do not hesitate to contact me by email if you have any further questions before the beginning of the semester.

Have a great summer and we look forward to seeing you in September 2011.

Yours sincerely
