

FdA Radio Production at University College Falmouth – LEVEL 1

Congratulations on gaining a place on FdA Radio Production.

Your first official day of attendance will be on **Monday 26 September 2011**. Please report to the **Chapel Lecture Theatre, Tremough Campus** for a Welcome Talk at **10am**.

The induction week is extremely important, as it will introduce you to the many facilities and services at UCF that will support you through your studies over the next couple of years. We will give you a timetable for the week on arrival and introduce you to some of the key staff that you will be working with.

The following texts will provide a useful framework in preparation for your studies:

Chignell, H. 2009. *Key Concepts in Radio Studies*. Sage.

Guy, S. 2004. *Radio in Context*. Palgrave Macmillan.

Beaman, J. 2006. *Programme Making for Radio*. Routledge.

These books can be obtained on the internet from Amazon or Ebay. They are designed to give you a broad foundation for your study of Radio, and the issues in these books will be developed throughout the course. Editions of these books are also available in the UCF library.

If you have been made a conditional offer to study at Falmouth, your place is subject to meeting those conditions. If you have any questions, please contact Sarah Walker in Admissions on 01326 255852 or sarah.walker@falmouth.ac.uk

During the holidays you will be emailed important information for new students. If you will be away, please ask someone else to check your emails regularly and reply on your behalf.

Have a great summer and I look forward to you joining us in September.

Yours sincerely

Russell Clarke
Award Leader, FdA Radio Production
