

MA Art & Environment

I am writing to welcome you to University College Falmouth and MA Art & Environment.

The course commences in the week beginning 3 October. The full time group will start on Monday 3 October and the part-time group will start on Wednesday 5 October.

The course will be based at the Woodlane Campus. I think most of you know where the studios are but if not please come to Reception and you will be directed here.

If you have not already received a link to the recommended reading list it can be found on the RANE website as a downloadable PDF: http://rane.falmouth.ac.uk/further_reading_frm.html

Don't be put off by the length of this list. You will not be expected to read all the books! Be selective and use it as a guide to help you start thinking about the subject. All of the books are available in the UCF library so don't feel that you have to buy them.

You are very welcome to attend the MA Shows, our annual exhibition of work by graduating MA students, at the Woodlane campus from 6 to 10 September. The private view is on Tuesday 6 September between 6pm and 9pm. We hope to see you there.

A more detailed timetable will be emailed to you in a few weeks. If you have changed your email address recently please let Rachel Chaplin in admissions know either by email rachel.chaplin@falmouth.ac.uk or by telephone 01326 253654. I shall also be sending out everyone's emails so that you can start communicating with each other.

In the meantime if you have any questions about the course, please don't hesitate to contact me by phone or email.

Yours sincerely

Dr Daro Montag
Award Leader, MA Art & Environment
