As a guideline the exchange rate for the quoted US dollar fees is \$1.50. The actual exchange rate for payments received in US dollars will be as at the date of payment.

The annual inclusive fee levied in the year of enrolment will be maintained throughout your course at the College. That is, if you enrol on a three-year studio-based degree course in October 2010, the annual inclusive fee will be £9581, and this fee will be the same annual rate for 2011 and 2012.

Visiting students will be charged the above fees on a pro-rata basis relating to their period of study and will receive a £500 pro-rata discount reflecting their exemption from assessments. Study Abroad students should contact the International Office for the latest fee schedule.

Early payment discount

Students who pay the full annual inclusive fee prior to or on enrolment will be eligible for a 10% discount on that fee. Students who pay the full annual inclusive fee by 31 October will be eligible for a 5% discount on that fee.

Progression discounts

Students who complete the Foundation course at University College Falmouth and subsequently gain a place on a degree course at the College will be eligible for a discount of 10% on the annual inclusive fee for the first year of their BA (Hons) degree course. The discount will only apply to students who on completion of their Foundation course continue immediately to the BA (Hons) degree course.

Students who complete a BA (Hons) degree course at University College Falmouth and subsequently gain a place on a postgraduate course at the College will be eligible for a discount of 10% on the annual inclusive fee for the first year of their postgraduate course. The discount will only apply to students who on completion of their degree course continue immediately to the postgraduate course.

Acceptance fee

A non-refundable acceptance fee of £250 for Europe including Norway, £500 for non-visa nationals and £1000 for visa nationals should be submitted with the acceptance of an offer of a place at the College. (Visa nationals will have their acceptance fee refunded if they fail to secure a visa; we will require notification from the appropriate High Commission.)

Payment schedule

Except in the case of early payment (outlined above), the annual inclusive fee is paid in two instalments: firstly, on enrolment in September/October, and the final instalment is due at the beginning of the spring term in January.
