## Information on parking

Parking is available by prior arrangement for official visitors to both campuses – though spaces are few at Woodlane. Please ask your host to make arrangements for you well in advance.

### Open Days

Parking is freely available for those attending sessions at Tremough. Please follow the signs upon arrival.

There is no parking at Woodlane: we recommend that you use the free Gyllyngvase Beach car park or The Dell Pay & Display car park (both are indicated on the map). If you are staying in Falmouth, it is often easier to walk from your accommodation to Woodlane.
