Enrolment and Student Terms & Conditions

You'll get an email two weeks before the start of term telling you how to enrol online. You'll need to enrol before the first day of term to officially register as a student of Falmouth University and receive an undergraduate student loan.

When you enrol, you'll need to agree to and comply with the University's Student Terms & Conditions. These Terms & Conditions are important and we encourage you to read them carefully, before enrolling. You can find them under 'Student Terms & Conditions' on our [website](#).

Over the next few weeks we'll email you more important information about your course and life at Falmouth. If you're going to be away or out of contact, make sure you ask someone to check your emails and reply on your behalf.

We know all of this can seem overwhelming and preparing for your course can involve a lot. So we're here to help. If you have any questions at all, just get in touch with Admissions on 01326 213730, use Live Chat on our website or email admissions@falmouth.ac.uk.

Finally, we wish you an enjoyable and creative time before the course starts and we're looking forward to welcoming you to Falmouth in September.

Yours sincerely
