

## FASHION DESIGN AT FALMOUTH

---

WELCOME TO BA(HONS) FASHION DESIGN AT FALMOUTH.

### Your offer

If you have a conditional offer, your place is subject to meeting those conditions. This means we're waiting to receive your results or some more information before your place can be finalised. You can see these conditions using [UCAS Track](#)

If you need to ask us anything about your offer, get in touch with our Admissions team on 01326 213730, use Live Chat on our website or email [admissions@falmouth.ac.uk](mailto:admissions@falmouth.ac.uk).

### First week of term

Your first official day of attendance will be **Monday 18 September 2017**. Please join us outside the **Fashion and Textiles Institute, Penryn Campus** at **9.30am** where a member of the team will be there to meet you.

This is the week when you'll meet your course mates, course tutors and the university staff. There will be important inductions for both the course and the wider university, in addition to a number of social activities. You will also be given course outlines and timetables.

You can download a copy of the [Penryn Campus map](#) or the [Falmouth Campus map](#) from the Contact page of our website [here](#).

### MyTimetable

<https://mytimetable.falmouth.ac.uk/> available from 14 September 2017

This is the link to MyTimetable, your online academic calendar which shows all scheduled learning activities and your course timetable. It will be available from 14 September 2017, however, timetables can be subject to change. To keep up to date, we recommend that you export the feed to your chosen device (mobile, tablet, laptop or desktop). An induction will be offered on the use of MyTimetable during Freshers 2017. Students have access to their individual student timetables, once they have completed their online enrolment and IT induction.

### Pre-course preparation

#### Project Essential

We would like you to complete the following project before you arrive, which will be reviewed during your core skills rotation period during the first 5 weeks of Study Block 1.

#### No Clothes Without Fabric: Fabric search and questionnaire

*Aim:*

*To start to become more aware of basic terms, uses, components and structure of fabric – the infinitely diverse material of which clothes are made – so that from Day 1 of the course you are better equipped to design and construct clothing.*

This research project is designed to equip you with some basic fabric knowledge, so that you will know what is being referred to by names of fabrics and terms that come up on the course. Some of you will already be familiar with a wide range of fabrics through your own research or your previous course, whilst some of you will have almost no knowledge or awareness of fabrics at this stage. This project is designed to prepare you all for a level playing-field when we kick-off in September.

If you can answer/produce samples easily, do so. If you need to do a bit of research or travelling in response to these questions, do so. Put all your findings and answers in a sketchbook. Anything you find that is extra (that excites, surprises or interests you), stick it in the back, and bring your book with you in September. This book will be your Fabric Research Book, in which you can log fabric information, discoveries and swatches as the course progresses, for easy access and organisation!

- 1 What is calico? What is it used for in the fashion industry?
- 2 Name and find samples of 4 different cotton fabrics such as denim, chambray and so on
- 3 Name and find samples of 4 different silk fabrics such as chiffon, crepe and so on
- 4 What is meant by the terms 'woven', 'warp' and 'weft'?
- 5 What is meant by the term 'jersey'? Find examples of jersey fabrics
- 6 What is meant by the terms 'pile' and 'direction'? Find 4 examples.
- 7 What is meant by the term 'Intelligent fabric'?
- 8 What is meant by the term 'performance fabric'?
- 9 What is 'Upcycling'?
- 10 Name a raw material used to produce a sustainable fabric.
- 11 Name and find samples of 4 different wool fabrics such as tweed, gabardine and so on
- 12 What is a 'Jacquard'?
- 13 What is meant by the term 'bias' in relation to fabric?
- 14 Find examples of sheer, transparent, translucent and opaque fabrics.
- 15 What are 'fibres'?
- 16 What is 'yarn'?
- 17 Name and find 4 examples of 'non-woven' materials such as felt, wadding and so on

You may use any samples that you already have, or even cut samples from old clothes. The cost of samples from fabric stores may vary but you should not spend more than £5.00 on this project. You must provide real samples; photographs will not be suitable.

**This project must be completed by the first day of term.**

### **Equipment list and costs**

#### **Essential**

You are required to purchase the following items from this list of essential equipment, all of which is available from [www.eastman.co.uk](http://www.eastman.co.uk), [www.morplan.com](http://www.morplan.com), or other online suppliers.

It is vitally important that you have all of the equipment listed below by the beginning of term. You will be using it in workshops from the start of term. All prices are approximate.

#### **a) Tools**

- Pattern Master or Shoben FashionCurve £19.95.
- Pattern Notcher (Standard Quality) £11.95.
- Pattern Drill 4mm hole £16.95.
- Wooden Awl £1.25.

- A3 Sketchbook £3.00

#### **Tuition fees (per year)**

2017-18 full-time UK/EU: £9,250

2017-18 full-time International: £15,000

#### **During your course**

#### **Materials and equipment list and costs**

## **Essential**

You will set up a credit account with the department in your first week of £200. £50 of this will cover your essential sewing kit, including snips, presser feet, bobbins and workshop materials. The remaining £150 will fund basic materials for all 3 stages. Stage 1-2 you will receive all materials for construction workshops and pattern paper, and for stage 3 pattern paper, storage box, hangers and garment covers.

In addition to the Stage 1 materials fee outlined above, students will also be required to purchase project sketchbooks and materials for final garments. You will also need to factor in printing costs and presentation materials. It is difficult to give an exact figure on these additional costs as each project output will be individual to the student. A rough estimate would be £15.00 per project for these additional materials (based on 2 sketchbooks, presentation materials and half a layout pad), but this can vary depending on the ambitions of your project. During Stage 1 there will be three projects requiring final materials. Students will be carefully advised as to the most appropriate materials for their proposed design.

During Stage 2, there will also be additional project costs as outlined for Stage 1. There will be two projects requiring final material purchase during this year and again, students will be advised as to the most appropriate materials for their proposed designs.

During Stage 3 you will complete your graduate collection, which will be self-funded. The costs will vary greatly from student to student, dependent upon your design proposal. Many students will successfully acquire fabric/materials sponsorship for their collections. A collection can cost from £200 to £2000+. Some students will also choose to develop ideas for printed fabrics through the print areas in the Fashion and Textiles Institute, where typical costs of around £50.00+ for materials, inks, binders, acetates and so on, can be expected.

You will also produce a hard copy graduate portfolio during Stage 3. We do not advocate spending hundreds of pounds on a portfolio case as much portfolio viewing is now done digitally. However, there will be printing costs for the final submission, which will be dependent on paper quality, page numbers etc. An A3 30-page printing job will cost a minimum of £20.00.

## Reading list and costs

### Essential

There are a number of copies of the following books in the University library. You will be expected to reference these books throughout your studies. However, we would suggest exploring the list by borrowing from the library before committing to purchase, so you can find a style of instruction that suits your style of learning. Those in bold are our most referenced resources.

**Amaden-Crawford, C., 2006. *A guide to fashion sewing*. Fairchild. RRP £58.00.**

Prendergast, J., 2014. *Sewing techniques, an introduction to construction skill within the design process*. Fairchild AVA. RRP £14.00.

**Campbell, H., 1980. *Designing patterns - a fresh approach to pattern cutting (Fashion & Design)*. Nelson Thornes. RRP £28.00.**

Chunman Lo, D., 2011. *Pattern cutting portfolio skills*. Laurence King. RRP £13.50.

Renfrew, E., 2009. *Basics fashion design 04: developing a collection*. AVA. RRP £14.95.

Dieffenbacher, F., 2013. *Fashion thinking: creative approaches to the design process*. AVA. RRP £28.00.

## Study trips and costs

### Optional

There will be an optional study visit to Amsterdam in Stage 2, which will cost approximately £400 for a five-night trip, with travel and accommodation included. This trip will be arranged through educational travel specialists to include all appropriate insurance.

Students may choose to undertake a non-essential self-funded work placement/internship across the summer break between Stages 2 and 3. It is worth considering what the cost implications of this may be if you are required to live and work in London or another location outside of Cornwall for three months.

You may also wish to factor in a buying trip to London for collection materials. This is not essential and the costs may vary depending on mode of travel selected:

- Day Return train from Falmouth to London Paddington with Student Railcard from £80.00, plus day travel on London Underground and buses with Student Railcard from £6.00.
- Return coach ticket from Falmouth to London Victoria from £16.00, plus day travel on London Underground and buses with Student Railcard from £6.00.
- Car sharing approximately £60.00 per car, with £10.00 pre-booked parking in WC1 London postcode.

If you would like to speak to a student mentor, email your name and the course you are starting to [studentmentorenquiries@falmouth.ac.uk](mailto:studentmentorenquiries@falmouth.ac.uk) and they will be in touch with you. The mentors are a great resource when wondering about life in Cornwall, life on campus etc. We also have a course specific Student Mentor led Facebook group here:

## Enrolment and Student Terms & Conditions

You'll get an email two weeks before the start of term telling you how to enrol online. You'll need to enrol before the first day of term to officially register as a student of Falmouth University and receive an undergraduate student loan.

When you enrol, you'll need to agree to and comply with the University's Student Terms & Conditions. These Terms & Conditions are important and we encourage you to read them carefully, before enrolling. You can find them under 'Student Terms & Conditions' on our [website](#).

Over the next few weeks we'll email you more important information about your course and life at Falmouth. If you're going to be away or out of contact, make sure you ask someone to check your emails and reply on your behalf.

We know all of this can seem overwhelming and preparing for your course can involve a lot. So we're here to help. If you have any questions at all, just get in touch with Admissions on 01326 213730, use Live Chat on our website or email [admissions@falmouth.ac.uk](mailto:admissions@falmouth.ac.uk).

Finally, we wish you an enjoyable and creative time before the course starts and we're looking forward to welcoming you to Falmouth in September.

Yours sincerely
