All students must enrol online before the first day of term in order to be officially registered as a student of Falmouth University. If you plan to receive an undergraduate student loan, you must enrol to have your money released to you.

As part of your enrolment, you will be required to agree to and comply with the University's Student Terms & Conditions. These Terms & Conditions are important and we encourage you to read them carefully, prior to enrolling online. They can be found on our Regulations, Policies and Procedures web page under 'Student Terms & Conditions' [here](#).

During the coming weeks, you will be emailed important information for new students. If you will be away, please ask someone else to check your emails regularly and reply on your behalf.
