During your course

Materials and equipment list and costs

Essential

At the outset of Stage 2, you will pay £67.00 to cover all Stage 2 workshop materials and unlimited pattern cutting paper. This fee will also cover for Stage 3, unlimited pattern cutting paper, garment cover/hangers and studio storage box. You will also be required to purchase project sketchbooks and materials for final garments. You will also need to factor in printing costs and presentation materials such as foam board.

It is difficult to give an exact figure on these additional costs as each project output will be individual per student. A rough estimate would be £15.00 per project for these additional materials (based on 2 sketchbooks, presentation materials and half a layout pad), but this can vary depending on the ambitions of your project. There will be two projects requiring final material purchase during this year and again, students will be advised as to the most appropriate materials for their proposed designs.

During Stage 3 you will complete your graduate collection, which will be self-funded. The costs will vary greatly from student to student, dependent upon your design proposal. Many students will successfully acquire fabric/materials sponsorship for their collections. A collection can cost from £200 to £2000+. Some students will also choose to develop ideas for printed fabrics through the print areas in the Fashion and Textiles Institute, where typical costs of around £50.00+ for materials, inks, binders, acetates and so on, can be expected.

You will also produce a hard copy graduate portfolio during Stage 3. We do not advocate spending hundreds of pounds on a portfolio case as much portfolio viewing is now done digitally. However, there will be printing costs for the final submission, which will be dependent on paper quality, page numbers etc. An A3 30-page printing job will cost a minimum of £20.00.

Reading list and costs

Essential

There are a number of copies of the following books in the University library. You will be expected to reference these books throughout your studies. However, we would suggest exploring the list by borrowing from the library before committing to purchase, so you can find a style of instruction that suits your style of learning. Those in bold are our most referenced resources.

Amaden-Crawford, C., 2006. *A guide to fashion sewing*. Fairchild. RRP £58.00.

Prendergast, J., 2014. *Sewing techniques, an introduction to construction skill within the design process*. Fairchild AVA. RRP £14.00.

Campbell, H., 1980. *Designing patterns - a fresh approach to pattern cutting (Fashion & Design)*. Nelson Thornes. RRP £28.00.

Chunman Lo, D., 2011. *Pattern cutting portfolio skills*. Laurence King. RRP £13.50.

Renfrew, E., 2009. *Basics fashion design 04: developing a collection*. AVA. RRP £14.95.

Dieffenbacher, F., 2013. *Fashion thinking: creative approaches to the design process*. AVA. RRP £28.00.

Study trips and costs

Optional

There will be an optional study visit to the International Performance Sportswear tradeshow ISPO in Munich which will cost approximately £450 for a 5-day trip with travel and accommodation included. This trip will be arranged through educational travel specialists to include all appropriate insurance.

Students may choose to undertake a non-essential self-funded work placement/internship across the summer break between Stages 2 and 3. It is worth considering what the cost

implications of this may be if you are required to live and work in London or another location outside of Cornwall for three months.

You may also wish to factor in a buying trip to London for collection materials. This is not essential and the costs may vary depending on mode of travel selected:

- Day Return train from Falmouth to London Paddington with Student Railcard from £80.00, plus day travel on London Underground and buses with Student Railcard from £6.00.
- Return coach ticket from Falmouth to London Victoria from £16.00, plus day travel on London Underground and buses with Student Railcard from £6.00.
- Car sharing approximately £60.00 per car, with £10.00 pre-booked parking in WC1 London postcode.

If you would like to speak to a student mentor, email your name and the course you are starting to studentmentorenquiries@falmouth.ac.uk and they will be in touch with you. The mentors are a great resource when wondering about life in Cornwall, life on campus etc. We also have a course specific Student Mentor led Facebook group here:

Enrolment and Student Terms & Conditions

You'll get an email two weeks before the start of term telling you how to enrol online. You'll need to enrol before the first day of term to officially register as a student of Falmouth University and receive an undergraduate student loan.

When you enrol, you'll need to agree to and comply with the University's Student Terms & Conditions. These Terms & Conditions are important and we encourage you to read them carefully, before enrolling. You can find them under 'Student Terms & Conditions' on our [website](#).

Over the next few weeks we'll email you more important information about your course and life at Falmouth. If you're going to be away or out of contact, make sure you ask someone to check your emails and reply on your behalf.

We know all of this can seem overwhelming and preparing for your course can involve a lot. So we're here to help. If you have any questions at all, just get in touch with Admissions on 01326 213730, use Live Chat on our website or email admissions@falmouth.ac.uk.
