

SEPTEMBER 2024 INDIA DISCOUNT TERMS & CONDITIONS

Indian residents can qualify for an automatic scholarship. Valid on full-time on-campus taught undergraduate and postgraduate applications for September 2024.

Falmouth University is offering 15 scholarships of £2,000 each to Indian residents applying to study with us on-campus in September 2024.

Who it's for: Indian residents applying to a full-time on campus taught undergraduate or postgraduate degree starting in September 2024.

Eligibility:

- Being domiciled in India
- Undertake a full-time on-campus taught undergraduate or postgraduate degree
- Start in September 2024 (excludes January 2024 or January 2025 entry)

This sum will be applied by the University as a credit towards the second instalment of the student's tuition fees. It will be deducted from the total remaining fees payable.

Please note students can only receive one scholarship each. The scholarship does not apply to online courses.

Please note students can only receive one scholarship each.

How to apply :

There is no specific application form for this scholarship. The first 15 offer holders who have paid their acceptance fee, if requested, within 7 days of receiving it, will be awarded the scholarship.

Further information:

As the University only has a limited number of scholarships available, we recommend you only make an application if you can afford tuition fees and living costs.

Students who have already received an offer and have paid their acceptance fee will automatically be awarded the scholarship.
