

## SEPTEMBER 2024 INDIA SCHOLARSHIP TERMS & CONDITIONS

---

Indian residents can qualify for an automatic scholarship. Valid on full-time on-campus taught undergraduate and postgraduate applications for September 2024.

Falmouth University is offering scholarships of £2,000 each to Indian residents applying to study with us on-campus in September 2024.

Who it's for: Indian residents applying to a full-time on campus taught undergraduate or postgraduate degree starting in September 2024.

### Eligibility:

- Being domiciled in India
- Undertake a full-time on-campus taught undergraduate or postgraduate degree
- Start in September 2024 (excludes January 2024 or January 2025 entry)
- Excludes MSc Marketing, MSc International Business Management, MSc Entrepreneurship & Innovation Management

This sum will be applied by the University as a credit towards the second instalment of the student's tuition fees. It will be deducted from the total remaining fees payable.

Please note students can only receive one scholarship each. The scholarship does not apply to online courses or postgraduate courses in Cornwall Business School.

Please note students can only receive one scholarship each.

### How to apply :

There is no specific application form for this scholarship. Offer holders who have paid their acceptance fee, if requested, within 7 days of receiving it, will be awarded the scholarship.

### Further information:

As the University only has a limited number of scholarships available, we recommend you only make an application if you can afford tuition fees and living costs.
