FALMOUTH UNIVERSITY’S OUTREACH OFFER

CREATIVITY IN EVERYTHING FOR EVERYONE
WHAT’S AVAILABLE?

At Falmouth, we believe that the earlier young people have access to university, the better position they are in to make informed choices about their future. We offer a range of sessions, in different formats to support them in making those decisions. These come under three key areas:

INFORMATION, ADVICE AND GUIDANCE (IAG)

These sessions are designed to give students all the necessary information they need to know when considering continuing into higher education.

CAMPUS VISITS

Visits to our Penryn and Falmouth campuses offer exciting opportunities to see how university can differ from school through tours of our facilities and through workshops.

WORKSHOPS AND CURRICULUM SUPPORT

Designed with academics and students, we offer a wide range of workshops that can be delivered in school or on campus. These vary from course-based activities to bespoke curriculum support for schools.

DELIVERING ACTIVITIES

We can adapt our delivery to suit schools’ and colleges’ needs on or off campus through:

- Talks
- Classroom sessions/workshops
- Assemblies

We are also available to deliver parent sessions and support at Careers Fair events.

Activities will be delivered by a range of university staff, including academics, the Outreach team and our Equity Ambassadors.

SUPPORT INCLUDES:

- A data-sharing partnership agreement
- Funded visits, including transport, lunches and academic workshops for a minimum of two campus visits a year
- IAG in each key stage
- At least two Mini Masterclasses
- Options to be part of our attainment raising initiatives

**OUR OUTREACH OFFER**

This programme of progressive activities, each linked to the Gatsby Benchmarks for Year 7 and above, is organised in key elements of the creative journey: preparation – incubation – illumination – completion. We are happy to build a bespoke outreach offer that suits each school or college. Please contact outreach@falmouth.ac.uk to arrange a meeting to discuss events for your school or college.
