

**Combined Arts Integrated Master's Bursary – September 2026**

Falmouth University is offering a 30% tuition fee discount to students starting the first year of the MA Integrated Master's: Combined Arts (Online) in September 2026.

**1 The offer**

- The bursary is available to new students enrolling on the 3-year MA Integrated Master's degree in September 2026.
- The bursary provides a 30% discount on the full tuition fee for the MA Integrated Master's: Combined Arts (Online).

**2 Allocation and payment of the discount**

- The University will automatically apply the discount to the student's account on enrolment. For students paying in full, the discount will be deducted from the total tuition fee. For students paying in instalments, the discount will be applied to the final tuition fee instalments, reducing the remaining balance payable. This is subject to the student enrolling in Year 3. The bursary is accrued across the programme but applied financially during Year 3 fee payments only.
- The discount may be withdrawn if a student withdraws from their course mid-year. In these cases, the student will be liable to pay the full fee rate for the period attended. Fee liability following withdrawal will be calculated in accordance with the University Fees Policy and published withdrawal liability schedule.
- Students who intermit from their course mid-year will remain eligible for the discount when they resume their studies. If a student later chooses to withdraw instead, the above point will apply retrospectively.
- Students are not eligible for any other tuition fee discount offered by Falmouth Online.
- Where a student qualifies for multiple discounts, the higher value discount only will apply unless otherwise stated

**3 Applicant criteria**

- Applicants must enter directly into Study Block 1 in the first year of the MA Integrated Master's: Combined Arts (Online), starting in September 2026.
- Applicants must complete the first two years of the course and enrol in Year 3.

**4 Limits to offer**

- The discount cannot be used in conjunction with any other discounts offered by Falmouth University.
- This discount applies only to the 3-year MA Integrated Master's: Combined Arts (Online).
- Queries regarding eligibility or application of the bursary should be directed to the Falmouth Online Team, with complaints handled under the University Student Complaints Procedure.
