

FALMOUTH

UNIVERSITY

PRESS AND EDITORIAL PHOTOGRAPHY BA(HONS)

Dear [NAME]

Welcome to Press & Editorial Photography at Falmouth.

We're getting in touch with some important information about your course that will help you as you prepare to join us.

At the end of this letter, you will find a list of equipment that you should bring with you, as well as any other costs that you might incur throughout your course.

Your academic experience will be predominantly in person with some courses using a small amount of digital resources to support your learning. To engage in the digital learning activity, although you will be able to access IT suites on campus, you will benefit from a laptop to access the platforms and tools we use. You will be provided with free access to the Microsoft Office suite, (including Word, Excel and PowerPoint) while you study at Falmouth.

If you are eligible for a loan from Student Finance and have not yet applied, please do so immediately to ensure the loan is approved before you enrol. Once you enrol you are liable for the tuition fees. You can find more information from the Student Loans Company at: www.gov.uk/government/organisations/student-loans-company Advice on managing your finances whilst studying can be found on the University's website here: falmouth.ac.uk/study/student-funding/how-much-does-it-cost

Over the summer, you can join our Step into Falmouth Sessions. These online workshops are designed to provide advice and guidance on settling into university life. They are scheduled to take place across three weeks in July and August. Some of them will also be recorded so you can watch them back at a time that suits you. More information can be found at falmouth.ac.uk/experience/new-students/step-into-falmouth

Over the summer, if you have any questions, you can join the Student Mentor team on Discord to talk about the course, living in Cornwall and what to expect at Falmouth. Our mentors are already studying on your course, so ask them anything you like. Find them at falmouth.ac.uk/experience/new-students/mentoring. Alternatively, email your name and your course to: studentmentors@falmouth.ac.uk and they will be in touch.

Over the next few weeks, we'll email you more important information about your course and life at Falmouth. If you're going to be away or out of contact, make sure you ask someone to check your emails and reply on your behalf.

We know there is a lot to think about before you start at university. So, we're here to help. If you have any questions, just get in touch with Applicant Services on 01326 213730, use LiveChat on our website or email applicantsservices@falmouth.ac.uk

Finally, we wish you an enjoyable summer and we're looking forward to welcoming you to Falmouth in September.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Gretchen', followed by a long horizontal line extending to the right.

Gretchen Viehmann

Course Leader, Press & Editorial Photography

Getting started

Your offer

If you have a conditional offer, your place is subject to meeting those conditions. This means we're waiting to receive your results or some more information before your place can be finalised. You can see these conditions on your UCAS Application

<https://accounts.ucas.com/account/login>

If you need to ask us anything about your offer, get in touch with our Applicant Services team on 01326 213730, use LiveChat on our website or email applicantsservices@falmouth.ac.uk

Enrolment and Student Terms & Conditions

You'll get an email two weeks before the start of term telling you how to enrol online. You'll need to enrol before the first day of term to officially register as a student of Falmouth University and receive your undergraduate student loan.

When you enrol, you'll need to agree to and comply with the University's Student Terms & Conditions. These Terms & Conditions are important, and we encourage you to read them carefully, before enrolling. You can find them under 'Student Terms & Conditions' on our website www.falmouth.ac.uk/student-regulations.

Tuition fees (per year)

2023-2024 full-time UK: £9,250

2023-2024 full-time International: £17,460

Term dates

You can find our term dates on the website at falmouth.ac.uk/experience/term-dates/term-dates-2023-24

Study Block 1 starts on Monday 18 September.

Teaching and assessment will be throughout the full 15 weeks of the study blocks.

Your timetable

Your academic timetable shows all scheduled learning activities and your course timetable. It will be published in early September. After you've enrolled, you can view it via the Student Portal at falmouth.myday.cloud/ or the Falmouth University App. You can download the app by searching the Google Play Store or Apple Store.

Welcome Week

Your timetable will show you where you need to go and when on Monday 18 September and throughout the week.

This is the week when you'll meet your course mates, course tutors and University staff. There will be important inductions to both your course and the wider University facilities and services, in addition to social activities organised by the University and Students' Union.

Pre-Course preparation, costs and materials

What you need to bring with you in September:

The equipment stores and facilities at Falmouth University provide a comprehensive variety of all necessary equipment, but there are certain essentials that incoming Press & Editorial Photography students should have at the start of term in order to be able to fully participate in course work and to be able to work independently. The costs will be approximately £600 – £1000 and all of these should support you for the full three years.

The most important things you need to have are:

- A laptop is the most essential piece of equipment, along with a reliable broadband connection (if you are living in University accommodation you will have this). Either Mac or PC is fine, it is up to you as we use both. Do your research and get the best one you can afford. Your laptop will be an essential tool for photography editing and academic writing and a good one will last you for your University years and beyond.
- Digital SLR camera capable of shooting RAW files with manual over-ride of any automatic settings and extra memory cards. You do NOT need to have a brand-new top-of-the line camera, just something that you are comfortable working with, as you will have access to and be trained on the fantastic camera equipment we have here on campus.
- An external hard drive of at least 500 GB to back up your work. We also recommend having cloud storage as further backup, like Google drive.

Other items that will be important to you:

- Camera equipment holdall, large enough for extra items you may wish to use/purchase during the course. We particularly recommend photo backpacks rather than traditional camera bag as they are more ergonomic and more secure.

During Your Course: materials and equipment list and costs

Essential

As a medium, photography is constantly developing, and our figures are intended as a guide of anticipated expenditure on the course for 2023/2024

It is anticipated that total extra costs would be approximately £1800 per year. This will cover film, travel, trips, paper and any other sundries. The equipment costs indicated vary depending on the brand/type of equipment you choose to purchase.

Your photographic practice will develop over the next three years of the course and there may be other equipment you want to purchase. It's possible to buy very good quality second-hand photographic equipment. Once you are established on the course, you will also find many students who are selling and swapping equipment.

If you have any questions or concerns about any of these equipment requirements, do not hesitate to get in touch with me at gretchen.viehmann@falmouth.ac.uk

Study Trips and Costs

Essential

There will be a number of educational trips during the three years of the course. They are an integral part of your studies, and you are expected to take part to enrich your studies. One of the highlights of the year is our all-year exhibition in London, which takes place in the Spring just before the Easter break.

Third Year Exhibition

In your third year you are encouraged to exhibit your work in the Degree Shows on campus, as well as in a group exhibition in a location of the year group's choosing. Students are required to pay for these exhibitions (many choose to Crowdfund or otherwise fundraise). Depending on the medium you choose to exhibit in, such as prints, multimedia or publications, and the off-site venue in which the year group chooses to exhibit, estimated costs will be £200.

Professional placement

You can access support from the University Employability team to help you prepare and search for placement opportunities. Usually, students undertake paid placements so you should be able to earn whilst you are working. Depending on where your placement is, you will need to be prepared to factor in costs such as accommodation, costs of travel, etc. If you are unable to find a suitable placement, you will be able to transfer to the 3-year version of the course.
