### TECHNICAL THEATRE ARTS BA(HONS)

---

Dear [NAME],

#### **Welcome to Technical Theatre Arts at Falmouth.**

We're getting in touch with some important information about your course that will help you as you prepare to join us.

At the end of this letter, you will find a suggested reading list. It's not essential that you complete the reading before you start the course, but if you're looking forward to your studies and can't wait, we recommend these texts as inspiring reading.

You will also find a list of equipment that you should bring with you, as well as any other costs that you might incur throughout your course.

Your academic experience will be predominantly in person with some courses using a small amount of digital resources to support your learning. To engage in the digital learning activity, although you will be able to access IT suites on campus, you will benefit from a laptop to access the platforms and tools we use. You will be provided with free access to the Microsoft Office suite, (including Word, Excel and PowerPoint) while you study at Falmouth.

If you are eligible for a loan from Student Finance and have not yet applied, please do so immediately to ensure the loan is approved before you enrol. Once you enrol you are liable for the tuition fees. You can find more information from the Student Loans Company at: [www.gov.uk/government/organisations/student-loans-company](http://www.gov.uk/government/organisations/student-loans-company) Advice on managing your finances whilst studying can be found on the University's website here: [falmouth.ac.uk/study/student-funding/how-much-does-it-cost](http://falmouth.ac.uk/study/student-funding/how-much-does-it-cost)

Over the summer, you can join our Step into Falmouth Sessions. These online workshops are designed to provide advice and guidance on settling into university life. They are scheduled to take place across three weeks in July and August. Some of them will also be recorded so you can watch them back at a time that suits you. More information can be found at [falmouth.ac.uk/experience/new-students/step-into-falmouth](http://falmouth.ac.uk/experience/new-students/step-into-falmouth)

Over the summer, if you have any questions, you can join the Student Mentor team on Discord to talk about the course, living in Cornwall and what to expect at Falmouth. Our mentors are already studying on your course, so ask them anything you like. Find them at [falmouth.ac.uk/experience/new-students/mentoring](http://falmouth.ac.uk/experience/new-students/mentoring). Alternatively, email your name and your course to: [studentmentors@falmouth.ac.uk](mailto:studentmentors@falmouth.ac.uk) and they will be in touch.

Over the next few weeks, we'll email you more important information about your course and life at Falmouth. If you're going to be away or out of contact, make sure you ask someone to check your emails and reply on your behalf.

We know there is a lot to think about before you start at university. So, we're here to help. If you have any questions, just get in touch with Applicant Services on +44(0)1326 213730, use LiveChat on our website or email [applicantsservices@falmouth.ac.uk](mailto:applicantsservices@falmouth.ac.uk). Finally, we wish you an enjoyable summer and we're looking forward to welcoming you to Falmouth in September.

Yours sincerely,
