

FALMOUTH CAMPUS STORES EXTERNAL HIRE PRICE LIST 2025

We are delighted to offer our fantastic array of equipment and spaces for external hire. Falmouth University has a long history of providing and supporting the arts here at Woodlane, and we are excited to be able to support artists, creators and makers with access to a selection of our equipment and facilities.

Our store supports over a third of the university's students, from the visual arts like Fine Art, to recording such as Journalism, and courses such as Prosthetics and Architecture. Please enquire for support with your creative practices. We also have an array of older analogue and specialist equipment that we can discuss the hire of by contacting us directly.
