UNIVERSITY

# Open Day Guide

**Saturday 23 May 2026**

Welcome to Falmouth. Today provides you with an opportunity to engage with our community of students and staff, dedicated to creating a transformative environment where we can all realise our potential.

We're proud to be the first and only specialist creative arts institution to achieve the **University Mental Health Charter Award** for our innovative, industry-leading support for student mental health and wellbeing. Beyond the boundaries of our campuses, Cornwall's natural environment provides inspiration and the space to be active and gain perspective on life and studies.

Take the time to explore our campus facilities and attend the comprehensive course and information talks available. I hope the day inspires you to join us for your university experience.

**Professor Emma Hunt** | Vice-Chancellor and Chief Executive

# Welcome!

**We're delighted that you've joined us on campus and we hope you get everything you need from your day here. This handy booklet will help you plan your day, discover what you want to see and find the answers to your questions.**

## Top tips for planning your day

1. Be sure to register when you arrive on campus and pick up your goodie bag.
2. Use the planner at the back of this booklet to map out your day.
  - a) Jot down the times and locations of your booked subject sessions.
  - b) All other talks, tours and areas are drop-in, so plan these in around your sessions.
3. Check the map and your location references so you know where to head.
4. Give yourself time to get between buildings. Follow the signs or ask one of our ambassadors in yellow if you need a hand.

## Registration & Information

Our registration desks and information points are open on both campuses from 9-4pm. Staff and Student Ambassadors will be available to provide directions and answer any questions. Find registration desk and information point locations on p 8-9.

**Make sure you register on arrival!**

## Accessibility

If you need accessibility support, a quiet area or any additional assistance during the day, please speak to a member of staff at registration, an information point or to one of our Student Ambassadors (dressed in yellow). We'll be happy to guide you to more accessible campus routes or offer further support.

## Planning your Open Day

We have two campuses – one in Penryn and one in Falmouth, so be sure to check which one you need to attend. To travel between them, please ask our staff for directions or to arrange a taxi. Campus postcodes are on the back of this booklet; allow at least 30 minutes for the journey.

Facilities will be open and tours will be running until 3:30pm.

# Key Details

## Talks and Subject Sessions

Talks and subject sessions are shown on p4-12. Check times and locations, then attend as many as you like.

## Subject Stands

Our Student Ambassadors and academic staff are here all day, ready to tell you about their subject areas and why they chose Falmouth.

## Campus Tours

Running from 9-3:30pm from the Study Hub – ask an ambassador and they'll show you where to join.

## Accommodation

You can view accommodation at Penryn Campus from 9-3:30pm – no need to book, just head to the Study Hub and our ambassadors will direct you. For Falmouth, grab a map at the Accommodation Desk in the Student Hub and visit our accommodation locations in town (no internal viewings available).

## Degree Shows

Don't miss the chance to explore our Degree Shows! A vibrant showcase of work from our graduating students across art, design, performance, technology and more. It's a great way to experience the creativity and ideas our students bring to life across campus.

For more information, pick up a Degree Show guide and follow the signage across campus.

## Quiet Space

Escape from the crowds in our libraries. If you'd like time out in our Sensory & Retreat rooms, or our chaplaincies, just ask.

## Guide

# Open Day Hubs

Be sure to visit our three Open Day Hubs, where you can meet our staff and students.

## Study Hub

Find out more about our subject areas and courses:
